“ So sorry to hear about Al's passing. I actually worked for him at the store way back when. He certainly was a "character!" but I can say that I learned a lot from him about the business of snowmobiles. He always made me laugh and I'd like to think I was a good worker for him during that time. I know you guys were together for a long time Dorothy and no matter how aggravated we get at "the men" I know you will miss your times together. Condolences to you and your family.

*Sincerely, Shelley Hunt Davis*
