“ *My dear sister Allison--you are now at peace and in the presence of Jesus. I shall never forget how much in love with Jesus you were. You showed me that it was possible to love someone you could not see. You witnessed God's presence to me before I ever began to search for God. I will always miss seeing you on this side of eternity. But one day we shall both sit at His feet and be blessed!! I look forward to that day!!! Until then--be at peace, my baby sister.*
