“ Please know that you have our sincere sympathy in the loss of Betty. We both always enjoyed talking with you when we were eating out. Roger always had good things to say about her from work. They just don't have the work ethic they used to.

“ To Betty's family, My heart was filled with great sorrow, when I heard of Betty's passing.

*As Gary, Larry, and David know, Betty knew me from the day I was born. She was like my second Mother. Our two families have always been very close. I have so many fond memories of Betty, and will continue to have them for the rest of my life. My heart warm feelings go out to all you, at this difficult time. Please accept my condolences. Love to all, Jerry Frost*
