“ *Betty came into my life in 1991, I instantaneously liked her. Her warmth could fill a room on the coldest of days. I thought that Betty was all that a Grandma should ever aspire to be. She was soft, fiercely protective, had a reassuring voice, could make killer iced sugar cookies, and never ran out of hugs. Her mother type instincts also allowed her to speak her mind when she needed to, and even though she was a tiny lady in stature she could give you a good tongue lashing if she felt you needed it.*

*Betty, I will miss you dearly. Thank you for being a light and sharing that light with me.*

*To the Cohn family, I am so very sorry for your loss. I hope you will continue to show the world Betty's spirit.*

*I love you all very much.*

“Lois, Fran and all of the May family, I am so sorry to hear of the passing of Betty. Not for Betty, because we know she is in a better place, but for those of us who feel the absence of her in our daily lives. God bless your family as the adjustment of life without her begins.
