“ *Our deepest sympathy to you and your family. Katie was a wonderful lady and was a great friend to my dad, Stanley Taylor. They had great times together and she was a great comfort to dad during his time at McAuley. Nancy Bailey and Myna Johnson*

“ *My husband worked at Drackett with Julius. We baby set the dogs when they were away. We went camping at Delaware state park with our son Charlie and daughter Mandy along with Kate and Jules. They had one of the grandsons along with them. Kate and I both worked the elections together. Spent time visiting in Kroger's many times. Both were great people. Miss the home made wine. Fun people to be with at the Drackett party's. Will miss running into Kate. Leah and John Moody Urbana*

“Katie was one of my favorite volunteers at Mercy Memorial Hospital. We all loved her giggle and positive, happy attitude. She was a delightful lady who loved life and kept on helping others, even when she was going through health trials of her own. I am sure that heaven will resound with that precious giggle. - Lynn White, Director Volunteer/Auxiliary Services

“Mr. Glueck was my boss at Drackett where I worked for almost 26 years. I remember how he loved his wife so very much and how she made gobs of yummy cookies for all of us at Christmas time each year. Last year my husband passed away and I joined the Senior Center and there was Katie, still looking as lovely as always. I am learning to knit and Katie brought in a bunch of yarn and needles and gave it to me and I'm working on a baby blanket right now with the lavender yarn and needles that she gave me. She was an Angel here on Earth and now God has another Angel in Heaven. I will miss her. R.I.P. Katie, from Carolyn Cox 563 Washington Ave. Urbana, Ohio 43078

“ I was saddened to hear of Katie's passing. My condolences to her family at this time.

Catherine or "Katie" as we knew her was a very loving and generous person. She was one of the first to volunteer her time and gave nic nacks for prizes at the center. She had many friends. I admired her for being independant and learning how to do everything for herself after becoming widowed. I'll always remember her smile and generosity to other seniors.
She will be missed.
