“ To the Evilsizor Family: Bill was also a dedicated man, his family and horses was his life, and following us in the 60's at High School School in Sports. Bill taught me much about horses at the Urbana Fairground, which later gave me the enjoy of learning more about horses and even raising my own. Bill was a nomal man, committed to what he loved and I know now he rest in peace with God, and others such as Bob Seebrooks, Dick Bucsum, The Craigs and others that loved the horses sports at Champaign County Fairgrounds, Urbana, OH.

My Prayers are with you, and smile all is well.

“ *Jerry Evilsizor...your Dad and I spent many nights sharing stories about the standardbreds and life. Bill had a "never give up" attitude that was inspiring. I think often about our nights at The Big M. With deepest sympathy....Jim Clarke*

“ I am so very saddened to hear of Bill's passing. I knew Bill for 40 years or more and always cherished the time we spent together. Bill taught me a lot about horses and even more importantly, about life. He marched to the beat of a different drummer, and I loved the music!

The past several years, Bill would hang out at the Little Brown Jug each September with a bunch of us old horsemen, and Bill never lost the ability to pick a winner. We missed Bill's smiling face and quick wit at the Little Brown Jug this year, and now I understand why.

I just spoke with Bob Ashelman and he asked me to extend his deepest sympathy to Bill's family and friends. Bob called Bill one of his closest friends for the past 50 years, and neither of us could speak any longer because we were both too choked up about losing our friend.

Bill was truly a class act, and one of the nicest men I've met in the past 56 years. Rest in peace my friend. I'll see you again some day and we can talk about the old days.
