Tribute Wall

“ Words cannot express the sorrow that I feel for you. No parent should ever have to lose a child. Our loving Creator knows how hard this is on you. We are told at Ezekiel 18:32 “I do not take any pleasure in the death of anyone, declares the Sovereign Lord.” As you can see, He does not like death any more than we do. It is not his will for us to die which is why He has given us the hope of everlasting life! (Psalms 37:9-11, 29; Rev. 21:3, 4). As the God and Father of tender mercies, He wants you to find comfort in Him through prayer (2Cor 1:3).

“ I wish I could ease your pain and reverse all of what sadness has brought to your heart's. At least we know she has beautiful wings and she's flying over watching down. Bless that angels heart for she gave us love and strength when we needed it most.. She shall be that ray of sunshine we need it the most. Thank you both for allowing me to be a part of her life. I will never forget those precious moments of the way I always had one mitten off and she would wrap those beautiful little fingers and mine as I would sing "our song" and she would look and listen to every word. She was/is always be our beautiful precious angel. All my love always Chevelle, "Mamaw " Rams
