

Damian Schuyler "Stacey" Prendergast

June 29, 1995 - November 26, 2013

Damian Schuyler "Stacey" Prendergast, 18, of Urbana, died Tuesday, November 26, 2013 in Mercy Memorial Hospital, Urbana.

He was born June 29, 1995 in Las Vegas, Nevada.

Survivors include his mother and father, Roberta & Wade Prendergast, his brother and sister, Bob & Jessica White, and his grandmother, Dolores Holbert. Other survivors include uncles, aunts and cousins.

Damian inspired everyone he met. He lived his life with honor and integrity. He got his first skateboard at 5. He didn't walk when he could run and he didn't run when he could skate. Once he learned to talk, he was never silent. Mere words cannot describe the profound effect Damian had on the lives of the people who were fortunate enough to know him.

Visitation will be held 1-4 p.m. on Saturday, December 7, 2013 in the WALTER & SMITH FUNERAL HOME, Urbana, followed by the memorial service.

Friends and family may then gather to continue sharing memories and celebrate Damian's life at the home of Tom and Melanie Cooksey, 730 Mark Drive, Urbana, OH.

“ *My heart is breaking for you over the loss of dear, sweet Damian.
Although we knew his time was limited, I did not expect to hear this
news upon my return to work. It was my honor and privilege to care
for your beautiful son. I know he is at peace and does not need to
be afraid anymore.*

*My sincerest sympathy,
