“ *Just want to let the family know how sorry I am to hear of his passing. He was such a great guy, I remember riding around with his and some other friends when we were just out of school I sure he knew I thought he was Very Good Looking! and... of course I let him know that which embarrass him. Didn't hang out with him after that but everytime I did see him passing or at the bar, party ect. He would always say hello and whats up. You will be missed Davey Channell it was a pleasure to have known you. Andrea Greene*

“ *Dear Fred, Missy, Suzie and Family,  
I know words cannot heal the pain of the hole left in your hearts. I count you as a very good friend Fred and was fortunate to meet your family on my many visits. I was lucky to spend some time with Davey and see the qualities of a great and gentle soul through his shyness. My thoughts are with you all.

“ Davey and I were best friends growing up. I hadn't seen him in many years. I have many fond childhood memories. I spent countless hours on the Channel farm and in their home. He had the coolest farm equipment toys and I loved the big barn he stored them in. Yes,occasionally we might have gotten into a little trouble but we were boys. Thanks for the good times Davey. My prayers for Fred,Carolyn,Missy,Suzie and all their family.
