“ To me, Doris was the second most wonderful woman in the world. She was second only to my own mother. Doris was a good neighbor and special friend. She looked in on my mother daily and helped her in so many ways. I will always remember and be grateful for the kindness that was shown by Doris to my family.

“ Dear Inskeep Family,

Doris was a delightful person whom I dated a few times in high school. We met only at reunions the past many years, but we enjoyed catching up on what had happened in our lives. Doris was wonderful and will be missed.
