“ A wonderful trainer, boss, and friend. I'm so glad we shared so many laughs together. I only wish I could have said thank you one more time for all the times you listened and all the ways you helped me through the years. Be at peace and rest my friend May God bless and see you on the other side of the shore.

We feel blessed to have Harold as a good friend. Harold was the kind of man that would give you the shirt off his back if he thought you needed it. Right now I'm not sure that we really realize how much we will all miss him. We have been friends for very long time at least 20 years. And we had some great times together that we will always remember and cherish. We remember when he used to set up bingo for the animal Society to help raise money to run it. We will miss you but glad you're in a better place. Pat and Roslyn

I enjoyed Harold's sense of humor. He always put a smile on your face with his hugs. He will always be remembered by all of us. God is now watching over you.
