“ Grandpa.. You were so much more than just Grandpa. You were the man who taught me about Honesty, Loyalty, Hard work, and above all LOVE. As a child, you INFORCED these traits upon me. Later as a young adult, you offered them Lovingly in your words of advice. I thank God for the wonderful memories I have - riding on the mower as you cut the grass, chasing behind you at the drive-in, and my favorite "our time" together as you shaved and got ready for work. I can only hope to be half the Grandparent that you and Grandma were to me. All and all I know heaven is a much SWEETER place with you there ( you knew there would be a donut reference) You will ALWAYS remain in my heart and sport. I Love you and will miss you Greatly!!! Forever Love Diana, Amanda, Joshua, Joseph, and your three Great Grand babies Joshlyn, Cailyn, and Aniyah..

“ Grandpa, you were *EVERYTHING* to all of us. Your grandson Jim, as well as both of your great grandsons, Bruce and Aaron, look up to you as the man they want to be, and as you know, they are well on their way. And as your granddaughter "in law," you never made me feel like anything more than a true granddaughter. You were the role model everyone should be blessed to have. The stories from people who knew you are getting us through this horrible time. I hope you knew how much you were loved and how much you will be missed!
