“ Too many memories to post them all. Jess will never be replaced or forgotten. She was one of the coolest and most crazy people you would ever meet. Unique and really just indescribable. I loved this girl when she was unlovable as she did me. My heart is broken yet mended because she is at peace. I love you Elizabeth ?

“ I have known Jessica since we were kids. We always had so much fun together because she was genuine, sweet, silly and smart. I am going to miss talking to her and seeing all her positive messages and beautiful face. I am heartbroken and my heart goes out to her loved ones. RIH Jet. You are free, and holding Damon in your arms.
