“ To Kevin's Family,
I was saddened to hear about Kevin. He always had a good story to share on the golf course here in Florida. I'm sure Kevin and his cousin Larry will continue the "Weenie League" golf group on the best courses in Heaven. My condolences and prayers go out to Kevin's family.

“ *The Insley Family,
Unfortunately, I never got to spend a lot of time with Kevin but when I did he always lit up the room and made me laugh. I will miss that and cherish those memories. I know he's got a tee time with my buddy. My thoughts and prayers are with you during this difficult time.*

I was so sorry to hear of Cousin Kevin's passing...words cannot express the hurt I feel and the loss of a great guy. Janet, Gina and Pam I wish we could be there for you all, but I will pray for you and your loved ones. Cody and Shelby still remember going to my dad's shop and hanging out and working with their Uncle Kevin. I am so glad I got to see him and tell him I loved him when he was here in Florida recently. Love, peace hugs and kisses. Trish, Terry, Cody & Shelby Meiser

“ To Janet and family,
We were so shocked and saddened to hear about Kevin. We always looked forward to seeing him when he was in Florida and really enjoyed his visits and the special treats he brought - mushrooms and homemade caramel corn! We shared many laughs through the years and will miss him very much. We will keep you close in our thoughts and prayers.
With heartfelt sympathy,
Mike and Lisa Scharf, Englewood FL
