I was deeply saddened to hear of Laneda's passing. Mike and I send our most heart felt sympathies to your family.

Laneda was one of the sweetest and kindest persons I have ever known or met. Growing up with her, she was always had a smile for anyone and everyone she met. She was one of those folks who made all our lives better for knowing her. I'm sure she will be greatly missed. We were blessed to have her in our lives at whatever point that may have been.

May God be with you and your family and help to ease the ache in your hearts.

“ To the Family and of Laneda

I am so sorry for your loss, my thoughts and prayers are with you during this time. Laneda was a very special person with a heart of gold. When I first moved to the Quincy area my freshman year of high school, Laneda was the very first person to offer her friendship to me and make me feel welcome...I have carried that remembrance all these years later.

“ With loving heart, I give to you all my condolences upon the transition of Laneda to her spirit form. We were all greatly enriched by her life and her beautiful heart. We all will miss her being here in physical form. Laneda was a bright and shining young woman in my high school memories. I enjoyed her company her way of seeing life, her laughter and that unending smile. She gave me great joy. May you all move through the grief you feel knowing that you are all surrounded in great love. And when the grief passes, may you learn just how close Laneda's spirit is to you at all times. This world has been made a better place by her life. Just think of the celebration when she returned to heaven --- such a lovely spirit must have been dearly missed while she was here. Please take good care of yourselves. With love and light, Deann Ward
