“ I have several happy memories of Martha Ellen and her smiling face, especially when she visited in our home on Morris Road. She was always so faithful to visit my parents, especially when dad couldn't leave the house easily any longer. She was interested and supportive of our mission in Kosovo as well, and I appreciated her questions and enthusiasm about our work here so much, whether visiting in person or over the phone. I know you will all miss her terribly, and we are praying for you as you mourn, especially during this holiday season.

Love and prayers,  
John and Ruth (Ostot) Chesnut

“ We were saddened to open the paper today to find Martha's passing. She was the most dedicated, competent, and supportive persons I ever had the pleasure to work with. We had one of the most successful school transportation programs in the state, and a large part of that was due to Martha's skills. She has been and will be missed. Wilma and I send our condolences to the family Elmo Layman.
