“ This is one of the Kennedy kids, Darlene the youngest and I share many memories with Brother Ray McCall. He and his wife where great Bible teachers. I just thank my parent to be brought up in the Church that holds alot of memories for me and many friends to share them with. I remember Danny and Denny saying one of there best memories growing up was a old farm toward Middletown and then Ray said that was one of the last places he won't to raise his children. And everyone laughed but the twins, they thought is was great place. I have a lot of good memories with the McCall family. Darlene Kennedy White Scott.

“ I will always cherish the moments of Caleigha playing with her great grandpa McCall on Friday evenings. The thought of their orneriness and grandpa playing with a doll still brings a smile to my face.

I am thankful for my early childhood memories of Ray as a friend of the family and one of my favorite Sunday School teachers. Rejoicing that he is having a marvelous reunion.
