“ Oh my... The spark that lit the fire, I'm so very sorry for your family's loss. I just discovered this news. I will never forget Miss Nola... The day she hired me at EMKAY in Tucson, was certainly a most memorable day. I never left that farm without a smile on my face! She was an inspiration for me that will always be in my heart. Bryan and Melissa may remember me... Eva, your dad called me "Pearlie Mae". I do have such fond memories of your family and those "see to believe" Arabians. I must say, I've yet to be in as good of company as Amerigo and his progeny. The first day I worked for EMKAY, I was so taken with Tamerigo, I had just never seen such pride and presence in a horse... I told Nola, that has to be the most beautiful colt I had ever seen... Lol... Nola just shook her head, laughed and said, "that horse is not a colt, he's a 17yr old stallion." I thought he was about 4, but I learned quickly just how precious that herd was. I could go on and on with those memories. I often wondered about how your family was doing, I do hate to hear this. Does your family still have horses? I'm on fb, Eva Pearlene Fulks.
