“ My condolences go to my " sisters" Cathy and Cyndi for the loss of their beloved mother Norma. Norma was like a mother to me many years ago when I lost both of my parents and I will always remember her beautiful smile and extra kindness to me. I have known Cathy for over 25 yrs. and she and Cyndi both have always been like sisters to me. I love you both. I talked to Norma some months ago and she was feeling well. I admired her spunk and how well she did the things she did. She will always be in my heart. Cathy, please extend condolences to your other family members and remember you and Cyndi will always be my sister.
Love, Teresa
