“ I just learned tonight of Paul's passing. I am sorry that I could not come to express my thoughts in person! The kind way he always spoke to my father. His firm handshakes and smiles as I got older. Then to have his and your friendship as we would eat and worship together! Thank you for your part in those memories! My prayers will be with you in the days ahead!!!

“ I have learned of Paul's death and belatedly send my condolences.

*I am Ted Phillips, son of Fred and Josephine Phillips and grandson of Will and Cora Phillips. He was the youngest of Dad's cousins and the last of that generation to die. I recall Paul best from the annual Phillips family reunions at Smoky Row (Gallia County Ohio). We usually played softball with the younger generation playing the older. Paul was only 5 years older than I. I believe he often played with our generation against the older guys in the earlier years. In the latter years he was always involved in leading the services at the church and cemetery which preceded the gathering at the farm. I last talked with him at a recent reunion but he was not there in 2011 at the last one I attended.*

“ Our family has many wonderful memories of Paul. He was a good speaker and an excellent teacher. He and Barbara were gracious hosts. They were both compassionate individuals who would take others who were hurting under their wings. Their love of people has enriched many lives. Paul, is in the presence of his Savior, Jesus Christ who he loved with all his heart. He will be sadly missed by family and friends.
