“ *Sally I so loved seeing you share your love for each other on Facebook. You were meant for him and he was meant for you. That love will always be preserved in your hearts forever. We are praying for you as you walk this life without him but remember you will see him again and he is never far from your heart and mind. You were his hero until the end. You are truly a brave and loving woman. Love you dear friend. Judy Pardee*

“ *Phillip gave me the most precious gift anyone could give another-- our beautiful children. I was so blessed to have been able to spend quality time with him before his new journey began and as equally blessed to be by his side when he entered heaven! I fell back in love with him all over again! I'll be seeing you.*

“ *Our hearts are broken for the family. No words can express our sympathy for the family and friends for their loss. We had the pleasure of meeting Phillip thru his mom and dad. Phillip had a big heart and a kind soul. We will remember his smile and his humor. Our prayers are with the family.*
