“ I'm so sorry for your loss Matt. I didn't really know your mom that well but she was always super sweet and kind to me when I was around. She was a big support for me, Heidi, and Eric the night our mom passed and I am thankful for all she did. My love and prayers go out to you and the girls.

“ What a loss to this world. I have a lot of great memories as a child growing up with Matt and Becky. She always made things fun and exciting. A great woman to have had in my life as a child.
Condolences from all the Jackson Family.

“ *My heart is saddened over the loss of your dear, sweet Mother, Matt...I loved Becky's outgoing spirit and friendship. I had not spoken to her for some time and that is upsetting to me, now....I knew about her fight with Cancer over the years, but Becky never let it get her down for she wasn't a complainer. Strangely enough, I have had thoughts about her in the last few weeks. Perhaps it was God whispering to me that she was coming to be with him...and, now, Becky is free of her pain, and will watch over you, she loved you and was so proud of the man that you have become. I hope that we see each other soon.*
