“ Debbie & Matthew, Very Sorry To Hear About Your Mom's Passing. I just lost my Mom in 2011 and Dad a few months ago and the one thing I learned was there are no words people can really say to make this loss any easier and most of what was said my mind was not hearing anyway. The love that everyone had for your Mom and the hugs and love they share with you to show how much they care are far better then any words. I wish I could be there to give you all a hug myself but I am unable to. You two and your Family are in my heart and in my prayers. Hugs And Love To You Both And To Your Family <3

“ I am saddened, and so sorry to hear about the death of Rebecca. She and I worked at the Grimes site on North Main Street together. She was so much fun, and always had the best spirit. She always made friends with everyone. Even after we were no longer there, we would see each other occassionally about town and she would tell me about her family events. She will be missed! My prayers are with the entire family!

Debbie and Matthew,

I am so sorry to hear about your Mom. I have been out of the area for years, and just happened to be checking the Urbana obituaries. I was so close to your whole family, through Lydia, for so many years, that I felt like I was a part of your family. Your mother was so sweet and always very kind to me. Keep the memories close. She will always be with you in Spirit. You are in my prayers. God Bless.
