“ Papaw always said that he'd vote for me for 1st woman President (I've never had any interest in politics whatsoever, but he had made up his mind when I was a toddler that I'd be commander and Chief one day :) He also made it crystal clear that if I ever saw fit to rob a bank, he'd drive the getaway car. This wasn't a very comforting thought since his driver's license expired before I was born, but that was Papaw for you. I love him so, so much.
