“ *To: Linda & Steve's Family Members,*

I don't know that we have ever met but I was a professional acquaintance of Steve's. I served with him on some national committees and I was also on the Board of Directors of the International Fire Marshals Association with him. He did many wonderful things for the fire service and I am grateful that I got to know him. During our many hours together he always spoke fondly of his family; you obviously meant a lot to him.

May God's peace and comfort be with you during these difficult times.

“ *I am very sorry to hear of your loss. Steve touched many lives in his career, including mine as we served together on the International Fire Marshal's Association Board. He was a solid leader in the field of fire prevention for the United States, and will be greatly missed.*

Steve's family is in more minds and prayers than they know.

*Most sincerely,
