“ Mom, I know the last thing I said was good  
night and I love you, and then you woke up to  
dad. That had to be the best surprise ever, and  
then to see your parents. I know there is no  
more dialysis for you, your heart is perfect, your  
health is perfect.  
I'm not going to lie, I miss you terribly. My heart hurts. I am grateful  
that we are a close family until times like this. I will not say good  
bye.... Until we meet again.  
I love you and miss you mom!  
Your baby girl.

“ I met Vicki for the first time when she started dialysis in Urbana, she was the sweetest woman, I also met her husband Ron whom she loved dearly. They are now together once again. We became great friends and I got her playing some games on Facebook, which she enjoyed. I will miss you dearly my friend, love you but glad your with your Ronnie again!
